4) Mrs Slater was being paid Rs 30/- a month for rendering medical aid to the people at Chickamagalur. The sum of Rs 30/- was being spent by her towards the pay of a peon & the cost of medicines. She was a fully qualified ~~woman~~ Degree holder ~~but~~ and had an offer of Rs 600/- a month from a Bombay Hospital. The money paid went entirely towards the cost of medicines the pay of the servant. In addition she has even complained that she has to pay from her pocket large sums among the present case of a grant to Mrs Rama-chandra Rao son of Narasudeva Rao seems to be different and the grant proposed seems also important. The number of persons attending his Dispensary should be known.
